

# Invitation to host the 15th International Symposium on Pediatric Pain in 2025

After a successful 13th International Symposium on Pediatric Pain in Auckland, New Zealand, preparations are now in full swing for the 14th ISPP in Halifax, NS, Canada, October 1-5, 2023 where we hope to see everyone! [Welcome Video Link](#)

**The SIG Council is now seeking expressions of interest from potential Local Organizing Committees (LOC) who are interested in hosting the 15th ISPP in 2025.**

Hosting this event brings participants from all over the world to your region, and brings paediatric pain to the forefront in your country. As the Local Organizing Committee (LOC), your team will be responsible for organizing the pre-conference Education Day, the Opening Celebration and the Conference Gala.

Expressions of interest should include brief information about your vision, venue (conference space, accommodation, travel) and any potential support you are expecting (relevant agencies, local governmental organizations, universities, hospitals, etc). Submitted EOI will be considered by the SIG Council and those judged closest to meeting the SIG's needs will be invited to submit complete applications.

### **Deadlines:**

Expressions of interest by Dec 1, 2022  
SIG Council invitations to be issued by Jan 15, 2023  
Submission of full application by 24 March 2023  
Decision announced 30 June 2023

To submit an expression of interest, please contact Dr. Angela Yeo at [Angela.yeosh@yahoo.com](mailto:Angela.yeosh@yahoo.com) for a submission template, giving your name, affiliation, address, and e-mail.
